Diagram illustrating the structure of the \mathcal{H}^{top} and $\mathcal{H}^{\text{bottom}}$ spaces, showing the arrangement of boxes and their associated labels.

The top row (labeled \mathcal{H}^{top}) consists of four boxes, each containing the number 4. The labels below the boxes are 6^7 , 3^7 , and 6^{-7} .

The bottom row (labeled $\mathcal{H}^{\text{bottom}}$) consists of four boxes, each containing the number 4. The labels below the boxes are $4^{\Delta 7}$, $\#_4^{07}$, 5^7 , and 1^7 .
