The figure displays a sequence of 12 diagrams arranged in a 3x4 grid, illustrating the evolution of a quantum state through four stages. Each stage is represented by a vertical line with horizontal bars and numbers. The diagrams are labeled with mathematical expressions:  $3^7 \# 5$ ,  $6^-$ ,  $6^-_5$ ,  $4^7$ ,  $3^7 \# 5$ ,  $6^-$ ,  $6^-_5$ ,  $4^7$ ,  $3^7$ ,  $3^7 \# 5$ . The diagrams show the state at each stage and the transitions between them, with numbers indicating the state's components.
