

Bad, Bad Leroy Brown

$$1 = C$$

Jim Croce

The diagrams are arranged in a 7x3 grid, with the last row containing only two diagrams. The diagrams are labeled with numbers 1 through 21, and some are labeled with letters (a, b, c, d, e, f, g, h, i, j, k, l, m, n, o, p, q, r, s, t, u, v, w, x, y, z). The diagrams show various mathematical structures, likely related to the classification of simple groups. Each diagram consists of a grid of nodes (circles) connected by lines, with some nodes labeled with numbers (1, 2, 3, 4, 5, 6, 7) and others with letters (a, b, c, d, e, f, g, h, i, j, k, l, m, n, o, p, q, r, s, t, u, v, w, x, y, z). The diagrams are labeled with numbers 1 through 21, and some are labeled with letters (a, b, c, d, e, f, g, h, i, j, k, l, m, n, o, p, q, r, s, t, u, v, w, x, y, z).
