Diagram illustrating a memory layout divided into three 64-bit segments (indicated by vertical lines). The segments contain the following values:

- Segment 1 (left): 3, 3, 4, #4, 5
- Segment 2 (middle): 1, 1
- Segment 3 (right): 3, 3, 3, 3, b3, b3

A 7 is written below the third segment.

Diagram illustrating the decomposition of 4^7 into a sum of powers of 2 and 3:

- Section 1: $2 + 1 + 2 + 1$
- Section 2: $2 + 1$
- Section 3: $2 + 2 + 1$
- Section 4: $3 + 1$

Total: 4^7

A horizontal bar chart with three bars. The first bar is blue and labeled '5'. The second bar is green and labeled '3'. The third bar is red and labeled '3'. The y-axis is labeled '1' at the bottom.
