

Have You Ever Seen the Rain?

$$1 = C$$

John Fogerty

The figure consists of two bar charts side-by-side, both with a y-axis labeled '%' and an x-axis labeled '1'. The left chart shows a distribution with a peak at 3 children, while the right chart shows a distribution with a peak at 5 children. The bars are light blue and the axes are black.

Number of Children	Percentage (%)
1	5
2	6
3	1
4	6
5	3
6	3

Number of Children	Percentage (%)
1	5
2	6
3	1
4	6
5	3
6	3
7	1
8	1
9	5
10	5

Diagram illustrating a 3D Young diagram with three rows and three columns. The top row has three blue boxes labeled 5, 5, 5. The middle row has three blue boxes labeled 4, 4, 3. The bottom row has one blue box labeled 5. The first column has three boxes labeled 5, 5, 5. The second column has three boxes labeled 4, 4, 1. The third column has three boxes labeled 3, 3, 3. The top-right corner is labeled 1, 3.
