Jose Feliciano

Figure 10: A 6x4 grid of diagrams illustrating the construction of a 2D topological quantum field theory (TQFT) from a 3D TQFT. The diagrams are arranged in six rows and four columns, with some cells containing multiple diagrams. The diagrams are labeled with numbers 1, 2, 3, 4, 5, 6, 7, and 8, and some are shaded in light blue. The diagrams are arranged in a grid with some cells containing multiple diagrams. The diagrams are labeled with numbers 1, 2, 3, 4, 5, 6, 7, and 8, and some are shaded in light blue. The diagrams are arranged in a grid with some cells containing multiple diagrams.
