

Hark the Herald Angels Sing

$$1 = C$$

Felix Mendelssohn

The figure displays 20 diagrams arranged in a 5x4 grid, illustrating the evolution of a quantum state. Each diagram shows a vertical line with horizontal bars of different colors and numbers, representing the state of the system at different points in time. The diagrams are arranged in a grid, with the first row showing the initial state and the subsequent rows showing the evolution of the state through various stages of a process.
