Gary Daniel Bruce

Figure 1 displays a sequence of 24 diagrams arranged in a 6x4 grid, illustrating the evolution of a 1D lattice system. Each diagram shows a vertical line with horizontal bars representing particles. The bars are labeled with numbers 1, 2, 3, 5, 6. The diagrams are arranged in a grid with rows and columns labeled by their respective indices. The first row is labeled 1, 6⁻, 1, 6⁻. The second row is labeled %, 1, 1, 6⁻. The third row is labeled 1, 1⁷, 4, 1. The fourth row is labeled 6⁻, 6⁻, 6⁻, 3⁷. The fifth row is labeled 6⁻, 3⁷, 4, 1. The sixth row is labeled 1, 2. The diagrams show the evolution of the system over time, with particles moving and interacting.
